

HIGHPOINT COMMUNITY BANK
MOBILE REMOTE DEPOSIT SERVICES AGREEMENT

This Mobile Deposit Services Agreement (this “Agreement”) governs the terms of Highpoint Community Bank’s (“HCB”) consumer mobile remote deposit service, which HCB refers to in this Agreement as “HCB Mobile Deposit,” the “Service,” or “Remote Banking Service.” The HCB customer (“Customer”) enrolling in HCB Mobile Deposit agrees to comply with and be bound by this Agreement. An individual enrolling in HCB Mobile Deposit on behalf of a Customer that is a corporation, partnership, limited liability company, trust or other entity or association represents that he or she is authorized on behalf of the Customer to enroll in HCB Mobile Deposit, enter into this Agreement and deposit Original Checks into the Customer’s Account using HCB Mobile Deposit.

HCB Mobile Deposit is designed to allow a Customer to make deposits of original, paper negotiable demand drafts (“Original Checks”) to Customer’s deposit account at HCB (“Account”). If Customer has more than one Account, HCB Mobile Deposit will require Customer to select the Account to which each deposit is being made. Customer can make deposits using HCB Mobile Deposit from remote locations by scanning the Original Checks and delivering the digital images and associated deposit information (“Images”) to HCB or its service provider with Customer’s iPhone, iPod Touch, iPad, or supported Android device (“Mobile Device”).

General Requirements. In order to use HCB Mobile Deposit, Customer must:

- Maintain an Account;
- Download and install the latest version of HCB’s mobile banking application to Customer’s Mobile Device
- Use a Mobile Device that has camera functionality;
- Use a Mobile Device that is enabled to receive and transmit data through a mobile carrier service data plan, wireless Internet connection or similar source; and
- Be a registered HCB Internet banking user and be enrolled in HCB mobile banking.

To deposit an Original Check using HCB Mobile Deposit, all endorsements must be made on the back of the Original Checks within 1 inch from the top edge, although HCB may accept endorsements outside this space. For Accounts used primarily for personal, family or household purposes (“Consumer Accounts”), the endorsement must include Customer’s signature and the words “for mobile deposit.” For Accounts used primarily for business purposes (“Business Accounts”), the endorsement must include Customer’s authorized signer’s signatures and the words “for mobile deposit.” Any loss HCB incurs from a delay or processing error resulting from an irregular endorsement or other markings will be Customer’s responsibility.

For deposits to a Consumer Account, an Original Check may be payable jointly to Customer and a joint owner of the Consumer Account. An Original Check payable to Customer and a joint owner of a Consumer Account must be endorsed by both payees. Additionally, for deposits to a Consumer Account, an Original Check may be payable to either Customer or a joint owner of the Consumer Account. An Original Check payable to Customer or a joint owner of a Consumer Account must be endorsed by at least one of the two payees.

For deposits to a Business Account, an Original Check must be payable to the Customer only. Customer agrees that any individual endorsing an Original Check to be deposited to a Business Account will be an authorized signer on the Business Account and otherwise authorized to endorse items on behalf of Customer. Customer understands and acknowledges that all endorsements by Customer's authorized signers are valid even if the agency relationship is not indicated on the Original Check or Image. HCB has no duty to inspect the Image to confirm that two or more authorized signers have endorsed the Original Check.

Requirements for Images of Original Checks. Each Image must provide all information on the front and back of the Original Check at the time it was presented to Customer by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the Original Check, MICR information, signature(s), any required identification written on the front of the Original Check and any endorsements applied to the back of the Original Check. The Image quality must meet the standards established by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve ("Federal Reserve"), and any other regulatory agency, clearing house or association involved in the processing of the Original Checks and Images ("Applicable Standards").

Eligible items. Customer agrees to use HCB Mobile Deposit only to scan and deposit Original Checks that:

- Are drawn on a financial institution located in the United States and payable in US dollars;
- Are made payable to Customer or, for a Consumer Account only, are made payable to Customer and/or a joint owner on the Account to which Customer is depositing the Original Check;
- Contain all endorsements applied by the parties that handled the Original Check; and
- Contain only authorized and authentic signatures.

Customer agrees that the Service will NOT be used to deposit any item that:

- Is not payable to Customer in the first instance (i.e., payable to another person or entity and then endorsed to Customer);

- Is payable to Customer and/or another person or entity if the item is being deposited to a Business Account;
- Is payable to Customer and/or another person or entity other than a joint owner on the Consumer Account to which Customer is depositing the Original Check;
- Is counterfeit or altered, contains evidence of alteration, or that Customer knows or suspects, or should know or suspect, are counterfeit, altered, fraudulent or otherwise not authorized by the owner of the account on which the check is drawn;
- Is more than six months old or made payable at some point in the future;
- Is payable in some currency other than US dollars or drawn on a financial institution located outside of the United States;
- Has previously been deposited with any financial institution;
- Is not an Original Check.

Limits. HCB has established limits on the dollar amount of items that Customer can deposit using HCB Mobile Deposit. Currently, deposit limits for Accounts are \$3,000 per Original Check / \$3,000 per day / \$10,000 rolling 30-day limit. HCB may change these deposit limits from time to time. HCB will notify Customer of any changes in accordance with this Agreement. Additionally, HCB may establish limits on the number of Original Checks that Customer may deposit using HCB Mobile Deposit. If HCB establishes such additional limits, HCB will notify Customer in accordance with this Agreement. If Customer attempts to initiate a deposit in excess of any applicable limit, HCB may reject the deposit. If HCB permits Customer to make a deposit in excess of an applicable limit, such deposit will still be subject to the terms of this Agreement and HCB will not be obligated to allow any deposit that does not comply with an applicable limit at any other time.

Customer agrees not to use HCB Mobile Deposit from any location outside of the United States.

Fees. Customer agrees to pay all fees and charges that HCB may impose for HCB Mobile Deposit. Customer agrees that HCB may deduct such fees and charges from any of Customer's Accounts. The current Schedule of Fees and Charges is attached as Exhibit A. HCB may change its fees and charges for HCB Mobile Deposit by providing Customer notice in accordance with this Agreement.

Mobile Deposit Security. Customer will complete each deposit promptly. If Customer is unable to complete a deposit promptly, Customer will ensure that the Mobile Device remains securely in Customer's possession until the deposit has been completed. It is Customer's responsibility to establish and maintain procedures to safeguard against unauthorized deposits. Customer will notify HCB immediately by telephone at 1-888-422-2280 if Customer learns of any loss or theft of Original Checks or any attempt to re-send or re-deposit Images. HCB may require Customer to provide additional notice in writing.

Customer will ensure the safety and integrity of Original Checks from the time of receipt until the time of destruction. If warranted in HCB's reasonable judgment, it may audit and monitor Customer, and Customer agrees to cooperate with HCB to permit such monitoring, to confirm that Customer's obligations under this Agreement have been satisfied.

Customer is solely responsible for the quality, completeness, accuracy, validity, and integrity of all Images. Customer is solely responsible if, intentionally or unintentionally, Customer submits fraudulent, incorrect, or illegible Images to HCB or if the Service is used by authorized or unauthorized persons to submit fraudulent, unauthorized, inaccurate, incorrect, or otherwise improper or unusable images to HCB.

Customer agrees that the security procedures that HCB uses in connection with HCB Mobile Deposit are commercially reasonable and suitable for Customer's intended use of the Service.

Receipt of Deposit. Each Image processed for deposit through HCB Mobile Deposit will be treated as a "deposit" under the agreements governing Customer's Account ("Account Agreement") and will be subject to all terms of the Account Agreement. Any confirmation from HCB that it has received an Image does not mean that the Image is free of errors. HCB is not responsible for any Image that it does not receive.

Following receipt, HCB may process the Image by preparing a Substitute Check (as that term is defined in Regulation CC, 12 CFR 229), or clearing the item as an Automated Clearing House item.

HCB reserves the right, at its sole and absolute discretion, to reject any Image. A rejected Image will not be deposited to Customer's Account. HCB will notify Customer of rejected Images.

Retention of Original Checks. After Customer receives confirmation that HCB has received an Image and Customer receives full credit for the deposit of the Image, Customer must destroy the Original Check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. Destroying the Original Check prevents it from being presented for deposit another time. After destruction of an Original Check, the Image will be the sole evidence of the Original Check.

Customer agrees to never re-present an Original Check or any copy or Image of an Original Check to HCB or any other financial institution. Customer understands that Customer is responsible if anyone is asked to make a payment based on an Original Check, Image or other item that has already been paid.

Returned Deposits. Any credit to Customer's Account for Original Checks deposited using HCB Mobile Deposit is provisional. If Original Checks deposited through HCB Mobile Deposit are dishonored, rejected, or otherwise returned unpaid by the paying bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the Image, Customer agrees that an Original Check will not be returned to Customer, but that HCB may charge back the amount of the Original Check and provide Customer with an Image of the Original Check, a paper reproduction of the Original Check, or a Substitute Check (as defined in the Check 21 Act). Customer will reimburse HCB for all losses, costs, damages, or expenses caused by or relating to the processing of the returned item. Without HCB's approval, Customer shall not attempt to deposit or otherwise negotiate an Original Check or any copy of an Original Check (including a Substitute Check) if the Original Check has been charged back to Customer.

HCB may debit any of Customer's Accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.
