

MasterCard® Automatic Billing Updater (ABU)

Merchants that participate in the MasterCard Automatic Billing Updater (ABU)³ program can now receive updated cardholder information for recurring MasterCard check card transactions. Information such as your expiration date, card number (if the original card was lost/stolen or transferred), and closed card notifications are updated daily and communicated directly to participating merchants with whom you have recurring payments.

This service only applies to recurring MasterCard check card payments. As a result, you will no longer have to contact the merchant to update your card information which will help prevent disruption of your recurring payments. You may opt out of this feature at any time by contacting your local branch, ContactUs@hcb.us or call us at 1-888-422-2280.
