

## **Interactive Teller Machines (ITMs)**

**Highpoint Community Bank is introducing technology with a personal touch! Located at our State Street and Middleville drive thrus during the hours of 8:30 a.m. to 6:00 p.m.**

### **What is an ITM?**

An Interactive Teller Machine combines the convenience of an ATM with the service and expertise of an in-person bank visit. You are video chatting with your banker!

### **What are the benefits of an ITM?**

- No deposit slip required
- Drive up convenience
- Live personal assistance
- Privacy and security while on the go
- Access to nearly all in bank teller services

### **What are the features I can expect?**

- You can deposit checks
- Cash a check
- Make a loan payment
- Transfer funds
- Make an account inquiry
- Get cash

**Simply touch the screen, scan your ID and talk with your personal banker!**
