Account Agreement and Disclosure, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available Overdraft Protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available Overdraft Protection, but does NOT include the Overdraft Privilege Limit. For accounts with Extended Coverage, the Overdraft Privilege Limit is included in the available balance for authorizing ATM and everyday debit card transactions.

- ★ Highpoint Community Bank will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- ★ Except as described in this brochure, Highpoint Community Bank will not pay items if the available balance in your account (including the Overdraft Privilege limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).
- ★ Overdraft Privilege may be reduced or suspended if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 35 days for a minimum of one business day. You must bring your account balance positive for at least one business day to have the full Overdraft Privilege limit reinstated.

HOW MUCH DOES OVERDRAFT PRIVILEGE COST?

When Overdraft Privilege is used, the Overdraft Fee of \$34 will be imposed for overdrafts created by checks, ACH, point-of-sale, ATM transactions, in-person withdrawals, or by other electronic means if your account is overdrawn more than \$10. If your account is overdrawn by \$10 or less, there is no Overdraft Fee. If multiple items overdraw your account on the same day, each item will be assessed the appropriate fee. This is the same fee that Highpoint Community Bank charges for items returned to the payee due to insufficient funds.

If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, Highpoint Community Bank will charge a return item fee each time it returns the item because it exceeds the available balance in your account. If, on representation of the item, the available balance in your account is sufficient to cover the item Highpoint Community Bank may pay the item, and, if payment causes an overdraft, charge an overdraft fee.

The maximum amount of Overdraft Fees that we will charge to your consumer account is \$170 per day.

All fees and charges will be included as part of the Overdraft

Privilege limit amount. Your account may become overdrawn in excess of the Overdraft Privilege limit amount as a result of the assessment of a fee. The total negative balance, including all fees and charges, is due and payable upon demand. Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all such amounts, as described in the Deposit Account Agreement and Disclosure.

WHAT IF I DON'T WANT OVERDRAFT PRIVILEGE?

You can request to discontinue Overdraft Privilege service in its entirety at any time by contacting us at 269-945-2401 or sending us an email at ContactUs@hcb.us. Without Overdraft Privilege, your insufficient funds items will be returned to the payee and/or declined at the point of purchase, unless you have Overdraft Protection available to cover the item(s). You will be charged the standard Insufficient Funds Fee of \$34 for all returned items.

WHAT ELSE DO I NEED TO KNOW?

- ★ This describes the posting order for purposes of determining overdrafts. Our general policy is to post items throughout the day and to post ACH credits before debits. 1) credits, 2) ATM (low to high by dollar amount), 3) debit card transactions (low to high by dollar amount), 4) ACH debits (low to high by dollar amount), 5) checks (check number order); however, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described herein) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Insufficient Funds Fees assessed.
- ★ A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts.
- ★ Although under payment system rules, Highpoint Community Bank may be obligated to pay some unauthorized debit card transactions, Highpoint Community Bank will not authorize debit card or ATM transactions unless your account's available balance (including overdraft coverage options) is sufficient to cover the transactions and the amount of any fee(s).
- ★ Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.
- ★ Highpoint Community Bank authorizes and pays transactions using the available balance in your account. Highpoint Community Bank may place a hold on deposited funds in accordance with our Deposit
